## SPECIAL PROGRAMS

- **Back to School** Project – about 500 children received back packs with school supplies.
- **UnderCover** Project - 479 children and about 150 adults received new underclothing.
- **Thanksgiving** turkeys distributed to over 500 families.
- **Santa@The CornerStone** - 1500 children received at least three toys each, at Christmas. Toys were donated by local businesses, community groups, churches and the Toys for Tots Foundation. Families from several counties took pictures with Santa.
- **Wall of Hats. Gloves. Socks and Scarves & Pajamas** - More than a 1000 items of hats, gloves, socks and scarves were distributed to families at Christmas.

**THE CORNERSTONE COMMUNITY DEVELOPMENT CENTER** was incorporated as a 501©(3) organization in 2005.

**The CornerStone Food Program** was first started in 2000 with nine families. In 2001, about 70 families came each week to pick up a bag of food. Today, the food programs of 'The CornerStone' continue to be a source of supplemental food to about 450 families. Food is gleaned each day from local stores, donated by churches, individuals and others. Each family receives a bag with bread, produce and meat each week. Families that qualify based on income receive USDA food. Several other programs for specific categories of people have been added since.

**The Lily Field Clothing Shed** was started soon after the food program was in operation.

**The CornerStone Free Health Clinic** is a medical home to those uninsured. Professional dental care and medical services were started in 2002. For a couple of years, patients were taken to CrossOver Clinic in Richmond for extractions and fillings. A Vision Clinic was added on in 2004. Today all services are located in Aylett and continue to be free of cost.

2017  
Report

Every dollar donated to our programs has helped, changed and perhaps even saved a life.

Every dollar donated directly benefits individuals with no insurance and assists families in need.

**The CornerStone Community Development Center** benefits tremendously from the ongoing support of churches, generous individuals, local businesses, community organizations, health care professionals and more. The grace of God, a team of dedicated professionals and a band of cheerful volunteers keep the programs dynamic.
